Dear Jim:

Your kindness to me and my wife in arranging the honor you presented is not only appreciated but will be remembered.

The Central States Convention in St. Louis was a great success due to the diligent work of you and your team. The plaque you designed for me is unusually attractive and outstanding. Your long residence in St. Louis enabled you to know how much numismatics means to me and your devotion to the subject is exemplary.

Incidentally if you hear of an available set of the Central States literary publications I would like to add it to my library at the museum.

If I can do anything in numismatics for you please feel free to call on me.

Thank you for everything

Eric
